Trattandosi di decorativi prodotti con inchiostri speciali "fluo", la solidità del colore può variare nel tempo (da decoro a decoro) anche sensibilmente a seconda dell'esposizione alla luce. Per ulteriori dettagli fare riferimento alla corrispondente Scheda Informativa Prodotto.

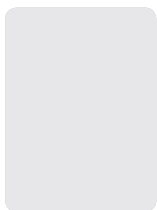

Since these decors are produced using special "fluo" inks, the lightfastness may change significantly over the years (from decoro to decoro) depending on the light exposure. For further details see the correspondent Informative Technical Sheet.
